EXECUTIVE OFFICE OF ENVIRONMENTAL AFFAIRS  
**DEPARTMENT OF ENVIRONMENTAL PROTECTION**  
ONE WINTER STREET, BOSTON, MA 02108 617-292-5500

MITT ROMNEY  
Governor

KERRY HEALEY  
Lieutenant Governor

STEPHEN R. PRITCHARD  
Secretary

ROBERT W. GOLLEDGE, Jr.  
Commissioner

Dear Sir or Madam:

Enclosed is a Notice of Final License Determination in the matter of a request by Jones Environmental Services (Northeast), Inc. ("Jones") for a renewal of its hazardous waste facility license. During the 45-day public comment period, MassDEP received written testimony regarding the draft license from two parties. None of these comments resulted in changes to the draft license; however, a few very minor editorial changes, initiated by MassDEP, were made to the draft license.

The final Jones license is available for review at the following locations in Lowell:

- Health Department, City of Lowell, 35 John St., Lowell
- Pollard Memorial Library, 401 Merrimack St., Lowell

We wish to thank all of those who participated in the licensing process.

Sincerely,

SIGNATURE ON ORIGINAL

Commissioner

**NOTICE OF FINAL LICENSE DETERMINATION**

IN RE: Issuance of Final Hazardous Waste Facility License #34B/06

ISSUED TO: Jones Environmental Services (North East), Inc.  
263 Howard St.  
Lowell, MA 01852  
EPA ID NUMBER: MAD047075734

Jones Environmental Services (North East), Inc. ("Jones") is a hazardous waste storage facility operating under the terms of Massachusetts Hazardous Waste Facility License #34B/99, issued by the Massachusetts Department of Environmental Protection ("MassDEP"). Earlier this year, after completing a technical review of Jones' application for a license renewal, MassDEP prepared a draft license. MassDEP provided the public with 45-days to comment on the draft license from April 21, 2006 through June 5, 2006, pursuant to the public participation requirements at 310 CMR 30.800. Notice of the draft license was given in the Lowell Sun on April 21, 2006, and copies of the draft license were available for public review at the Lowell Board of Health, Lowell Public Library, the US Environmental Protection Agency, Region I - New England Office in Boston, MassDEP's Boston office and its Northeast Regional office in Wilmington. MassDEP received written testimony regarding the draft license from two parties. None of these comments resulted in changes to the draft license; however, a few very minor editorial changes, initiated by MassDEP, were made to the draft license. Incorporation of these revisions into the draft license constitutes the final hazardous waste license. The final license is available for public review at the locations listed in the attachment to this notice.

After review of all comments and testimony, and after due consideration, the Department hereby grants Jones, located at 263 Howard Street, Lowell, MA, a final hazardous waste facility license.

Any person aggrieved by this decision may appeal by requesting an adjudicatory hearing before the Department; please refer to the "Frequently Asked Questions and Answers About Appeals" document attached to this notice.

The final license shall become effective either: (a) twenty-one (21) days after the date of this notice of the final decision pursuant to 310 CMR 30.838(1), unless the final license decision is appealed during the 21 day period; or (b) at the conclusion of the adjudicatory hearing process, pursuant to M.G.L. c.21C and c.30A, and 310 CMR 1.00.
